LESSON 9: GLORIFYING AND ENJOYING THE GOD WHO MADE ALL THINGS

Intro:	
SCIENTIFIC THEORIES:  Steady-State Theory: the universe is self-existent and and mechanistic that will sus	. It is a closed stain itself and continue forever.
<b>Expanding-Universe Theory</b> : As we move back in time that subsequently exploded so the subsequently exploded so the subsequently explosed so the subsequently exp	
the blast.	•
Copernicus put forth a heliocentric view, Rome	him.
Scripture & Scientific Evidence: we couldtime.	either one or both at any point in
"What God reveals in nature can never contradict what reveals in Scripture can never contradict what he reveal of revelation, and God does not contradict himself." R.	s in nature. He is the author of both forms
BIG IDEA: God was pleased to make	from
WSC 8: How does God execute his decrees?  Answer: God executes his decrees in the works of creat  WLC 14: How does God execute his decrees?  A. God executes his decrees in the works of creation and foreknowledge, and the free and immutable counsel of the second	ad providence, according to his infallible
- The Catechisms move to how these eternal	are
- They are executed in two ways:	and
Creation in General WSC 9: What is the work of creation.? Answer: The work of creation is, God's making all thin in the space of six days, and all very good. WLC 15: What is the work of creation? A: The work of creation is that wherein God did in the make of nothing the world, and all things therein, for hi all very good.	beginning, by the word of his power,
60 Sproul, Vol. 1, pp. 120-1.	

-	Unlike creation	, God does not ne	eed creation to be content.
-	They apparently took	among themselves to	make these eternal
-	The overall purpose of	was to manifest t	the of the Trinity.61
-	The Standards affirm cr	reation ex nihilo, out of	No prior materials.
-	God first created the nee	cessary, & then	used them to form
	iter	ms.	
-	The "all things" is clarif	fied to that which we can see, an	d can't see, that is not God.
-	Lastly, it affirms that as	s created, the all things were very	/ Matter is not

"The very nature of the triune God is to be effusive, ebullient and bountiful; the Father rejoices
to have another beside him, and he finds his very self in pouring out his love. Creation is about
the spreading, the diffusion, the outward explosion of that love." Michael Reeves <sup>68</sup>
